RE: Public Records Act Request: W000827-020116

Date Submitted: 2/1/2016

Dear Requester,

The City of Torrance received a public information request from you on 2/1/2016 and the City responded with no responsive documents.

The City of Torrance received a letter from you on 2/17/2016. You requested records, which you described as “Please be advised that our client is in possession of emails received by the email address of mmatsuda@torranceca.gov that is responsive to the request. Please note the request stated at the end “any electronic communication(s)”. Attached as Exhibit C is a copy of one such email in the possession of our client. We ask you conduct a more thorough review in light of Exhibit C and provide all emails and any other communication you may have consistent with the original request.”

We have conducted a more thorough search and have located records responsive to your request.

Per our Torrance Police Department/Communication and Information Technology Department, please find the records requested attached along with this email.

If you created an Account using the online Torrance Public Records Center, you may also log in and download your documents using the request number provided above.

Thank you for your interest in the City of Torrance. We apologize for any inconvenience. Your request is now closed. If you have any questions, or wish to discuss this further, please contact me at (310) 781-7562.

Sincerely,

Daniel Baker

Records Management Supervisor

I would like to set up a conference call with everyone to discuss the captain's interviews you graciously agreed to be rater for on December 1st. Are you guys available after 11 am on Monday Nov. 23rd for a ten minute call?

As you well know HR departments try to run the process and many times cause poor results when a chief cannot share his needs. I was able to go before the Civil Service Commission here and convince them to let me change the process so there is no community panel or internal panel. Your ratings will be the list. Thanks again.

I've got a 11:00 with Mitch Englander over his candidacy for the Board of Supervisors, I can do anything before 11:00 or after 12:00.
